Annika

I've been described as cheerful, helpful and above all professionally skilled person, who grabs any assignment with a smile on a face.

I get things done quickly without cutting the quality and I'm always curious to find new solutions and ways to develop at work.

Work experience

Visual Designer

D11 Helsinki Oy 27.4.2017 - present

Visual Designer at Marketing Agency, primary clients S-Pankki and FIM. Layout designing digital marketing materials such as web banners, outdoor ads etc. Layout designing print production materials such as magazine ads, flyers etc. Logo designing - illustrations.

Freelance-Marketing designer

Kesko Oyj, Building and technical trade 2.6.2014 - 24.4.2017

Working as a marketing designer at Kesko, my task is to layout design marketing materials for both companys retail chain stores K-rauta and Rautia. Everything between from newspaper advertising to inclusive catalogs and marketing materials for websites and social media use as well.

Graphic Designer

Haave Oy 12.12.2011 - 17.11.2013

I worked as a Graphic Designer at software development company and to my duties included designing layouts for mobile apps and websites. I was also responsible of the layout design of approximately 40 pages journal which was published four times per year.

DTP

Digital Media Partners Oy - DMP 29.11.2010 - 30.6.2011

As a DTP (Desktop publisher) my daily tasks were to layout design and finalize layouts for print. I made several different kind of marketing materials like brochures, posters, advertisements etc. Customers were from individuals to large companies like Yves Rocher, Nokian renkaat and Sinebrykoff.

Layout Designer

Alma Media Oy - Iltalehti 1.6.2010 - 30.8.2010

In two shift work, layout designing news and entertainment pages of a newspaper published on a daily basis.

Press assistant

Tekniseri Oy 30.6.2008 - 8.8.2008

Working as a Press assistant at silk screen company my tasks were to maintain printing equipments and tools. Lamination of the final products and packaging them.

Hobbies

Artistic hobbies

Drawing and painting as much as I can. Specialized in oil painting and ink work.

I've been "Photoshopping" since I got my first Photoshop software when I was 12 years old. Before that I was avid Microsoft Paint user.

Collecting

Passionate collector of vinyl records and proud owner of over 600 vinyls.
